

# MEMBERSHIP BENEFITS

WORKING TOGETHER TODAY FOR A SAFER TOMORROW!

**TRAINING AND EDUCATION** - Continuing education and development is imperative to reach the top of our industry. IABO holds seminars, workshops and classes that help members succeed. IABO classes typically qualify as Continuing Education Units (CEU). IABO is an ICC Preferred Provider for education.

**INFLUENCE** - One crucial benefit of joining IABO is combining member resources to collaborate with policymakers and guide public opinion more positively towards our efforts.

**CERTIFICATION** - Certifications are vital for standards in the industry and provides confidence to Indiana citizens. IABO offers education that is often a precursor to passing certification exams.\*

**NETWORKING AND RELATIONSHIPS** - Building long-term professional and personal relationships that are mutually beneficial.

**INFORMATION** - Access to information on current developments that impact the industry through our website, social media, meetings and networking opportunities.

**EXCHANGE OF IDEAS AND BEST PRACTICES** - IABO provides a forum for members to share ideas and develop new ways to make improvements. We offer an environment where more experienced colleagues can help newer colleagues navigate the industry. Through exchange of ideas, members can set best practices for efficient and quality work as well as play a role in determining changes in the industry.

\*IABO does not offer certifications. We provide education that offers members the tools needed to succeed during certification exams. Individuals are responsible for their own certifications.

A safe, affordable home and business in an environmental-friendly community is a benchmark Indiana citizens should expect. Through our membership, offering guidance, support, and education, we strive to make this standard obtainable.
