## The Indiana Association of Building Officials

### **Forward**

The Indiana Association of Building Officials, Inc., formerly the Indiana Inspectors' Association, Inc., adopted these amended bylaws at the Annual Business Meeting, April 24, 2018.

Founded in 1945, by a group of building officials who felt the need for leadership and cooperation in the promulgation, dissemination, and enforcement of the building codes within the State of Indiana, the Indiana Association of Building Officials, Inc. (formerly Indiana Inspectors' Association, Inc.) is a Chapter of the International Code Council.

Strength through numbers and cooperative effort would insure the best means of providing better service to the communities.

These factors are more important today with the introduction of new materials, with emphasis on energy savings and high cost connected with the building industry.

We, the members of the Indiana Association of Building Officials, will constantly use our combined knowledge and experience to establish liaison with various groups in promulgating workable codes and the understanding of those codes.

We will continually strive for proper enforcement of adopted codes to insure the safety, health, and public welfare of all individuals.

Forward dedicated the memory and the principles of Mr. Herman Darlage, Past President of the Indiana Association of Building Officials.
